1. This office has received a letter from Mr. Ziernicki of the General Services Administration indicating the owner has advised him that [redacted] will be ready for occupancy on 18 May 1953. According to the owner, the office areas will also be available for use at the same time. Rental will start on 18 May 1953 providing the General Services Administration accepts the building as available for occupancy on this date.

2. The owner states that the vapor proof lighting fixtures for the shop area cannot be delivered for eight weeks. However, he will provide temporary lighting pending delivery of the permanent fixtures.

3. The above-mentioned information is transmitted at this time in order that the Logistics Office can formulate its moving plans.
